This Handbook serves as a starting point for critical analysis and discourse about the status of women in outdoor learning environments (OLEs). Women choose to participate actively in outdoors careers, many believing the profession is a level playing field and that it offers alternatives to traditional sporting activities. They enter outdoor learning primarily on the strength of their enthusiasm for leading and teaching in natural environments and assume the field is inclusive, rewarding excellence regardless of age, gender, socioeconomic status, disability, or ethnicity. However, both research and collective experiences in OLEs suggest that many women feel invisible, relegated, marginalized, and undervalued. In response to this marginalization, this Handbook celebrates the richness of knowledge and practices of women practitioners in OLEs. Women scholars and practitioners from numerous fields, such as experiential outdoor education, adventure education, adventure therapy, and gender studies, explore the implications of their research and practice using poignant examples within their own disciplines. These insights emerge from similar life experiences as women and outdoor leaders in the 1970s to the present. Social inequalities still abound in OLEs, and the Handbook ensures that the contributions of women are highlighted as well as the work that needs to be done to make these spaces inclusive. Global in perspective and capacious in content, this one-stop volume is an indispensable reference resource for a diverse range of academics, including students and researchers in the fields of education, psychology, sociology, gender studies, geography, and environment studies, as well as the many outdoors

fields.

Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world—a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece—the very heart of the Bible—to the extraordinary form in which it was originally written.

World Wrestling Entertainment fans think they know "The Heartbreak Kid." He's "The Showstopper" who pushes his high-flying abilities to the limit in the squared circle, on ladders, and in steel cages. He's the company's first "Grand Slam" champion. And of course, he's forever the guy who conspired with WWE Chairman Vince McMahon to screw Bret "Hitman" Hart out of the WWE Championship in Montreal at Survivor Series on November 9, 1997. But that's the side "HBK" has allowed you to see...until now. Heartbreak & Triumph: The Shawn Michaels Story introduces us to Michael Shawn Hickenbottom, the youngest of four children whose "really conservative upbringing" made him shy and "afraid that people wouldn't like me if I showed who I really was." But upon discovering Southwest Championship Wrestling (SWCW) on TV one Saturday night, the preteen Hickenbottom realized instantly what he wanted to become, and later would convince his father—a colonel in the U.S. Air Force—to let him pursue his dream. From there, Hickenbottom fully recounts the events that led to "Shawn Michaels's" tutelage under Mexican wrestler Jose Lothario; working matches at Mid-South Wrestling under the guidance of Terry Taylor and the Rock 'n' Roll Express's Robert Gibson & Ricky Morton; flying high with Marty Jannetty as "The Midnight Rockers" in the American Wrestling Association (AWA); and how a barroom confrontation in Buffalo almost prevented the tandem from ever joining the World Wrestling Federation. While reliving the crippling back injury that forced him to retire in his prime, Michaels credits the new loves in his life—his second wife Rebecca, his children, and his newfound faith—with giving him the strength to kick his habit, recover physically, and make a jubilant return to the ring at SummerSlam 2002. Now back on top and doing what he enjoys most, the WWE Superstar regards Heartbreak & Triumph as the perfect means "to review my life, and attempt to figure out how I became the person I am."

“ Pat is one of the greatest mentors I ’ ve ever had in the world of sports-entertainment. ” — Dwayne “ The Rock ” Johnson When Pat Patterson was 17 years old, he was asked to leave his home after telling his parents he was in love . . . with a man. Moving from Montreal to the United States in the 1960s, barely knowing a word of English, he was determined to succeed in the squared circle. Back when homophobia was widespread, Pat lived in the super-macho world of pro wrestling. In this fascinating and revealing memoir of revolutionary talent, pioneer, and creative savant Patterson recalls the trials and tribulations of climbing to the upper ranks of sports-entertainment „ as a performer and, later, as a backstage creative force. Many in the WWE Universe know Pat Patterson as a ring legend, the prestigious first holder of WWE ’ s Intercontinental Championship, a WWE Hall of Famer, and one of Vince McMahon ’ s ñ stooges î during the Attitude Era. But Patterson is no stooge. He has long been one of Vince McMahon ’ s trusted advisors. His impact and importance to the nascent stages of WWE are nearly comparable to that of the Chairman himself. Still active in WWE today, Pat delivers his no-holds-barred story of going from unknown to WWE luminary.

Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened

up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response. Proudly supporting the Royal Flying Doctors Mental Health Service
