Charmed by the Bartender (Modern Love #1) Who knew sleeping with the enemy could be this much fun? By the time I'd figured out WHO the bartender was, I was already falling for him. Hooked on the Boxer (Modern Love #2) Who knew a bad boy could mend a broken heart? Until I discovered he was so much more than just a BOXER. Left hook. Right to the heart. Mad About the Banker (Modern Love #3) Who knew my brother's friend could be Mr. Right, not just Mr. Right Now? Well, until I discovered his secret—and it changes EVERYTHING. This author duo has rocked my world when it comes to giving me stories I love. Each book got better and better, to the point I couldn't put The Banker down and might have lost some sleep from not wanting to stop reading." - Goodreads Reviewer

Who knew sleeping with the enemy could be this fun? Was the one night stand a good idea? Well, no. Probably not in retrospect. In my defense I had just moved back into my grandparent's house, I'd lost my dream job, and a guy on Tinder had stood me up. It was like life had suddenly stamped ' LOSER ' on my forehead. So when the guy behind the bar started giving me THE look...you know, the one that promised I'd be screaming his name into the wee hours of the morning? When that guy also has the perfect amount of scruff on his chiseled chin, biceps bulging out of his t-shirt, and a cocky grin you knew he'd earned in the sack...when he gives you that look, you don't bother to figure out what your six degrees of separation are. You jump on that horse and ride it! Pun fully and completely intended. And accurate by the way. I fully admit to feeling sorry for myself and acting impulsively, but by the time I'd figured out WHO the bartender was, I was already falling for him. A romcom from a secret duo of USA Today Bestselling Authors, comes the first COMPLETE STANDALONE in the Modern Love Series.

Who knew my brother 's friend could be Mr. Right, and not just Mr. Right Now? My brother refused to introduce me, so I blame him. If he 'd just caved, and introduced me to Jasper, I wouldn 't be in this mess. I mean, really, what 's the big deal? I 'm not interested in the guy 's looks. Oh no, I want his cold hard cash. (Be honest, you were expecting that other four letter 'c ' word weren 't you?) Now, before you go getting all judgy, I 'm not a gold digger. I have a legitimate business opportunity for Jasper to invest in. The problem is that my stick-up-his-ass brother is embarrassed that his twin sister invents kick ass sex toys. His problem, not mine. So, I took matters into my own hands. Defeat isn 't a word in Lennon Hart 's dictionary. Using my stealthy P.I. moves, I narrowed my search to a time and place where I knew I could find him. It was completely innocent. A chance meeting that would give me the opportunity to pitch my business. It wasn 't until I sat down across from the gorgeous party soaking man in front of me, that I realized I wanted so much more than just his money. I could very well want his heart if I wasn 't careful. Apparently my P.I. skills aren 't as stellar as I thought because Jasper had his own secret—and it changed EVERYTHING. Steven Heighton is already recognized as one of the best writers to come to the fore in the nineties, a winner of numerous literary awards, whose work is widely translated. In *The Shadow Boxer*, he delivers a stunning portrait of the artist in the tradition of such great tales as *Jude the Obscure*, *Candide* and even *Don Quixote*, and gives literary life to the Northern Ontario landscape of "the Soo", and the demanding, muscular life of Lake Superior where giant ore-barges make their way over the grave of *The Edmund Fitzgerald*. Intricately patterned and multi-layered, this is the story of Sevigne Torrins, poet and boxer, who sets off into the world to make it, and whose romantic and professional misadventures take him as far as Egypt before he finds his way back to the Great Lakes. But the classic writerly dream that Sevigne pursues turns out in practice to have a different and darker reality than any he had foreseen. A passionate love story, a gripping narrative, *The Shadow Boxer* is also
