The major American industries—agriculture, petroleum, electricity, banking, telecommunications, movies, college sports, airlines, health care, and the beer, cigarette, and automotive industries—intersect our lives every day.

The Structure of American Industry 13th edition ...

I like how it goes from the very basics of an industry structure and increases its perspective to how the massive billion dollar companies were formed through mergers. The mergers in the industries allows for companies to become so massive that the top 3-4 firms in most industries control around 80% of their respected industries.
